

YEAD – Alumni society

The abbreviation YEAD stands for Young Enterprise Alumni Denmark. It is an organization consisting of former students from Young Enterprise Company Programme or Start Up Programme.

The purpose of the organization is to create a network between young ambitious entrepreneurs where the members can use one another's experiences and competences for personal and professional development. In its daily work the organization helps earlier pupils and students to create a network and make progress with their ideas and companies.

The organization offers a safe network where you can share ideas, visions and goals. Moreover, YEAD helps the Foundation for Entrepreneurship -Young Enterprise at events, which gives its members the opportunity to work with interesting arrangements.

YEAD has existed since 2003 and has a close cooperation with sister organizations all over Europe. The international network is of great importance to YEAD's future development and to the continued growth, which is ensured through knowledge sharing and idea generation.
