

VIDEO PITCH

- Video pitch is a mandatory part of the application and must be available online
- Maximum 4 min.
- Enter direct link to video pitch in the application form
- We prefer to see your team in the video
- We do **NOT** accept the video pitch in a file or for download in e.g. dropbox.

In your video pitch you must present the following:

- What is your idea? (if you are applying for a green micro grant you have to explain the green part of your idea)
- What is your business model?
- Who is the team?
- How can a Micro Grant help your idea/company move forward?
